Goals

My 90-Day Challenge Goal is: _____

Become a Rising Star! (Achieve Director in your first 30 Days.)

- ◆ Earn an extra bonus on Monday!
- ◆ Company Revenue Sharing in the Weekly Enroller's Pool
- ◆ Exclusive Rising Star Training
- ◆ Company-Wide Recognition

"Refer 3, get your next month FREE"

My Why—The primary reason why I am promoting the Body by Vi™ Challenge is:

*While ViSalus™ is an exciting financial opportunity, as with any business venture, the efforts of individuals vary greatly. Therefore, no one can be guaranteed success as a ViSalus participant. Because results are based upon individual efforts and abilities, and not all participants put forth the effort, not all participants earn profits.
